APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application,
and do hereby grant the same, subject to the following limitations and
conditions:

This permit is issued subject to all existing rights on the
source. It is understood that the water right must allow for a reasonable
lowering of the static water level at permittees well due to other
ground water development in the area. A substantial weir or other type
of measuring device must be installed and measurements of water use
kept. The State retains the right to regulate the use of the water
herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount
which can be applied to beneficial use, and not to exceed 1.0
cubic feet per second, and not to exceed a duty of 4 acre feet per acre.

Actual construction work shall begin on or before July 11, 1950

Proof of commencement of work shall be filed before Aug. 11, 1950

Work must be prosecuted with reasonable diligence and be completed on or
before July 11, 1951

Proof of completion of work shall be filed before Aug. 11, 1951

Application of water to beneficial use shall be made on or before

July 11, 1952. Proof of the application of water to beneficial

use must be filed with State Engineer on or before Aug. 11, 1952

Proof of commencement of work filed MAY 22 1951 WITNESS MY HAND AND SEAL this 16th day
of Completion of work filed AUG 13 1951

JUL 21 1953 of August 1949

Withdrawn by applicant

State Engineer
